Product Packaging Change Notice

Dear Valued Customer,

Thank you for your support of 1st BASE products.

This letter is to inform you of the change of the following product packaging for products manufactured from 13 Feb 2024 onwards.

Details of the affected products:

Product No.	Product Description
BIO-5110	Taq DNA Polymerase (recombinant)
BIO-5111	Taq II DNA Polymerase (recombinant)
BIO-5115	REDiant Taq DNA Polymerase (recombinant)
BIO-5116	REDiant II Taq DNA Polymerase (recombinant)
BIO-5120	dNTP Mix, 10mM each
BIO-5125	dNTP Set, 100mM each
BIO-5130	ExactMark 100bp DNA Ladder (100-1,500 bp)
BIO-5140	ExactMark 1kb DNA Ladder (250-10,000 bp)
BIO-5150	ExactPro Broad Range (5-245kDa) Prestained Protein Ladder
BIO-5160	Tri-Color 6X DNA Loading Dye
BIO-5170	FloroSafe DNA Stain
BIO-5171	Floro*Red Nucleic Acid Stain
BIO-5172	Floro*Green Nucleic Acid Stain
BIO-5180	2X PCR Master Mix
BIO-5181	Taq II PCR Master Mix (2X)
BIO-5185	REDiant 2X PCR Master Mix
BIO-5186	exTEN 2X PCR Master Mix,
BIO-5187	REDiant II PCR Master Mix (2X)
BIO-5188	exTEN II PCR Master Mix (2X)
BIO-5189	AmpliPLUS HiFi PCR Master Mix (2X)

Details of the change:

	Bags (Existing Packaging)	Boxes (New Packaging)
		
Packaging Material	Plastic Foil	Cardboard

We would like to assure you that there is no change in the quality and the performance of the product(s).

Please review this letter to ensure that the product purchased will not be affected by the proposed change. Should you have any questions or concerns regarding this notice, please feel free to contact us.

Sincerely
Adora Chua Zhi Hui
