

# 1st BASE Online Order

<https://order.base-asia.com>

## NEW with 100

We are happy to announce the new features added onto 100 to make it even more convenient to our valued customers.

### 1. SMS Alerts!

Receive SMS alert when your sequencing results are ready for download.

### 2. Download DNA sequencing results with ease!

Retrieve result easily via log in to your 100 account. View your Order status online LIVE!

No	Online Order ID	Offline Order ID	Order Date	File Name	Created Date
1			07/10/2013	SeqResult-3551773653.zip	08/10/2013
2			07/10/2013	SeqResult-3553373657.zip	08/10/2013
3			04/10/2013	SeqResult-3548973583- R1seq2.zip	08/10/2013
4			04/10/2013	SeqResult-3548973583.zip	08/10/2013
5			05/10/2013	SeqResult-3548973632.zip	08/10/2013

  

Order ID	Order Date	Service Name	Total Rows	Total Price	Order Status
	07/10/2013	Single Pass DNA Sequencing	1		Accepted
	07/10/2013	Single Pass DNA Sequencing	2		Accepted
